INSTRUCTION MANUAL

SR47 SERIES

SAFETY INFORMATION

When using airsoft guns eye protection is required (goggles or mask)

Never place your finger on the trigger until you are ready to fire the gun. Always put the gun in safe mode when not in use. Treat every gun as if it is loaded.

Please keep away from children

!?

Please select a safe place to fire your airsoft gun. Always know your state and local laws concerning airsoft gun use.

BBs may remain in the barrel after magazine removal. To avoid injury, never look directly into the barrel and ensure the gun is always pointed in a safe direction.

Do not aim or shoot at humans, animals, buildings, or vehicles.

Disassembly or modification of this product may result in damage to your Airsoft gun, loss of warranty, and/or serious injury.

Please use a firearm case or bag when transporting your airsoft gun.
