BLACK RAIN ORDNANCE

Black Rain Ordnance, Inc. is a precision firearms manufacturer, specializing in tactical style rifles and suppressors. Incorporated in January of 2009, it's a young company, but far from new to the firearms industry. From the beginning acquired the best machinists to manufacture the finest parts possible. Its design team created a unique look and feel, with features that all shooters can appreciate while using the best materials available. They strive to use only American metal – it is important for them to ensure that all products carrying our Bio-Hazard logo are made in America by American workers.

Their mission is to produce the highest quality products out of the highest quality materials, with the best customer service in the industry. From the inception of Black Rain Ordnance, Inc., they vowed to never produce anything that themselves would not personally own and operate.

KING ARMS

King Arms was founded in 2004. Our target is to ensure optimum customer satisfaction by providing them precise products and outstanding services.

In 2015, we moved our headquarters to Taiwan. We have continued to provide excellent products of the highest quality. By working with the leading firearms manufacturers, we give our patrons the innovation and authenticity which can't be found anywhere else in Airsoft.

This is what drives us, our reason to be - King Arms -
