RAIL ACCESSORIES

FULL LENGTH XT RAIL PANEL

\$11.95

Provides rubbery grip surface for improved weapon control. Protects the operator from sharp rail edges. Protects unmounted rail areas from damage. Prevents damage to gear, such as rappelling ropes, that may be abraded or cut by uncovered rail sections. Easily cut for custom fitting. Sections can mount next to each other to form a visually continuous cover. Each panel covers 15 slots of rail.

XTM™ RAIL PANELS

\$7.95

The new low-profile XTM™ Rail Panels are a two-piece design that attach anywhere on the rail without having to remove previously-mounted accessories. The combination of design and material used in the XTM™ Panels ensures they will remain securely in place under all operating conditions, but may be easily removed using the tips of two rounds when necessary. Each set comes with (4) two-piece panels which will cover one side of a carbine rail.

MOE™ Carbine Handguards \$29.95

MOE™ Handguards combine the light weight and simplicity of a standard handguard with modular flexibility. Slot at 10 and 2 o'clock positions allow for optional Picatinny rail mounts for tactical lights and other accessories. Reinforced polymer construction provides operational durability without the weight of an aluminum railed handguard. Front extension provides additional grip length. Bottom panel removes for use with Airsoft M203 or Airsoft shotgun. It fit M4 / M16 AEG or GBB and Systema PTW.
