# **CONTENTS**

**WARNING** HANDLING CAUTIONS & INSTRUCTION MANUAL  
Always read through this manual before operation.

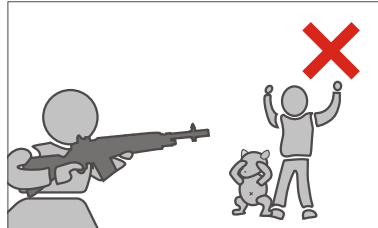

**G&G ARMAMENT**  
Complete AEG Series

**警告**  
WARNING

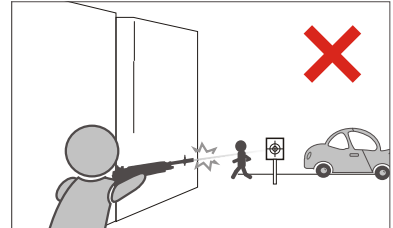

You may be punished if you damage public or personal properties or injure a person or animal even you are shooting for a practical joke. Always observe manners and enjoy healthy sport shooting.

**警告**  
WARNING

Never direct the muzzle towards a person, animal or other dangerous directions.

**警告**  
WARNING

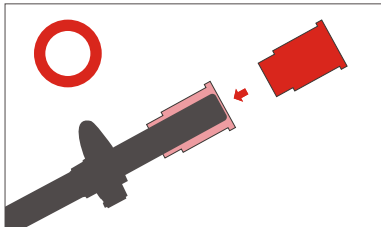

Select a safe place for operating the air gun, avoiding places where people and cars pass cross or third persons are around.

2

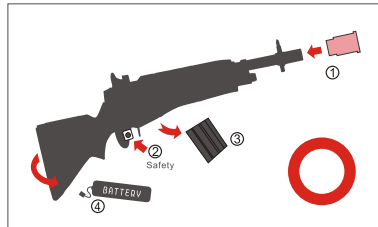

3

**警告**  
WARNING

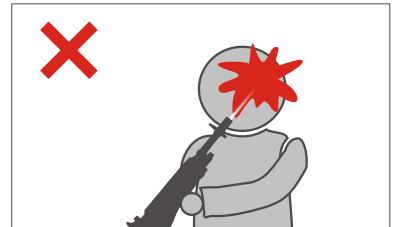

Make sure to attach the barrel end safety cap to the muzzle, except when you shooting, for preventing accidental, sudden discharge and for the dust proof propose. Never pull the trigger with the barrel end safety cap being attached.

**警告**  
WARNING

Safety procedure:  
1 - Attach the safety cap to the muzzle.  
2 - Set the selector lever to the safety position.  
3 - Remove the magazine.  
4 - Remove the battery.

**警告**  
WARNING

Looking in to the muzzle is extremely dangerous, regardless of with or without BBs being installed. If a BB bullet hits your eye, you may in the worst case, loose your sight.

**WARNING** HANDLING CAUTIONS & INSTRUCTION MANUAL  
Always read through this manual before operation.

**G&G ARMAMENT**  
Complete AEG Series

**警告**  
WARNING

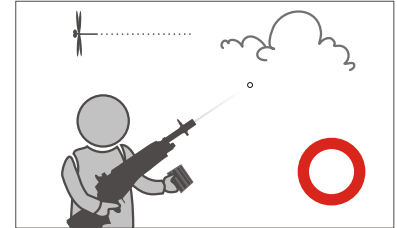

Activating the trigger carelessly is extremely dangerous. Never put your finger onto the trigger unless the safety cap is removed and you are ready to shoot a target.

**警告**  
WARNING

When shooting the air guns for a target or game, you and all participants must wear goggles or other eye protective gear, also paying attention to ricochets. Pay sufficient attention also to third personnel other than participants.

**警告**  
WARNING

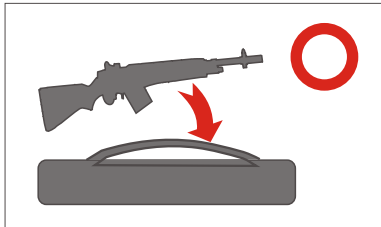

There are cases that BBs remain in the gun after the magazine is disconnected. After removal of the magazine, direct the muzzle towards a safe direction and pull the trigger to confirm that no BBs remain in the gun, then attach the safety cap.

4

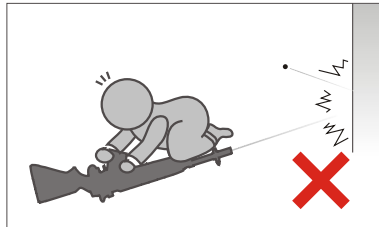

5

**警告**  
WARNING

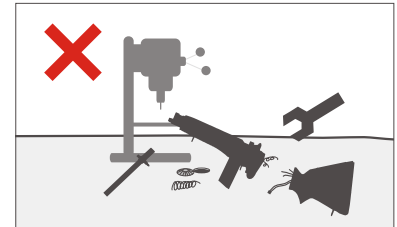

When you carry the air gun, attach the safety cap, set the selector lever to the safety position and always put it in a case or bag.

**警告**  
WARNING

Always attach the safety cap to the muzzle, remove the battery and store the air gun in a case or bag and at a place out of reach by children.

**警告**  
WARNING

This air gun is manufactured under consideration of appropriate performance and operability. Disassembling or modifying the gun may generate danger or adversely affect the performance.

18

19

## ■ CAUTION

Always attach the safety cap and disconnect the magazine to avoid sudden operation upon connecting battery.

Be careful so as not to catch your fingers in the movable parts.

Always set the lever to "safe" before firing.

Do not disassemble beyond what is necessary, or the gun may be damaged.

Always use "**G&G ARMAMENT**" BBs for this gun, we shall not be held responsible for any damage or accidents arising from the use of bullets supplied by other manufacturers.

Since a tight barrel is used, use of dirty BBs or those with burrs causes jamming and possible fatal damage to the gear box.

Turning hop-up dial excessively cause clogging of bb, keep pulling trigger with bb clogged damages the piston and gears.

Never hold the gun sideways as bb will curve right or left.

We shall not be held responsible for any damage or accidents arising from the wrong operation or modification.

Disassembly is designed for appropriate maintenance, not for modification.
