1. Do not change, alter, remove, or obliterate any colorations or markings on this gun. The colorations and markings of this product are designed to comply with the laws and regulations of state, federal, and nation.

2. This product could be mistaken as a firearm easily by law enforcement officers or others. Anyone who changes, alters, removes, or obliterate any colorations or markings are supposed to meet the state or federal laws and regulations. In any way that makes this product look like a real firearm is a crime.

Displaying and exposing of this product in any "public places" may cause confusion or even be considered as a crime. The term of "public place" means any areas that opened to the public, including streets, sidewalks, bridges, alleys, plazas, parks, driveways, front yards, parking lots or even automobiles. Buildings that serve food and drink, or provide entertainment, and the doorways and entrances to buildings or dwellings are parts of public places as well. Any person who uses this product in the means of bully, insult, threat or deterrent to cause either physical or mental trauma of another is considered illegal and could result in sentence of imprisonment.
