

AK Optics Mount Installing Manual

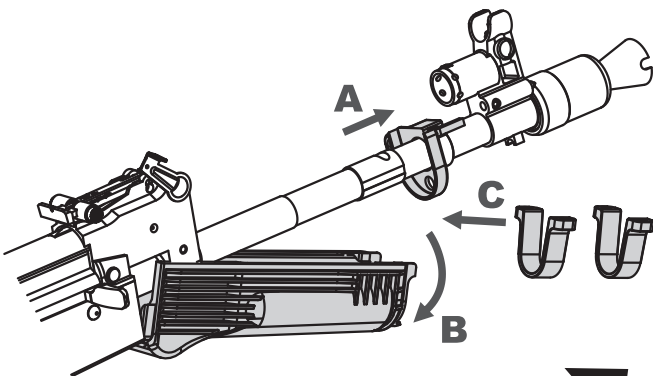

1 Take down the upper hand guard.

2 Take out the cleaning rod.

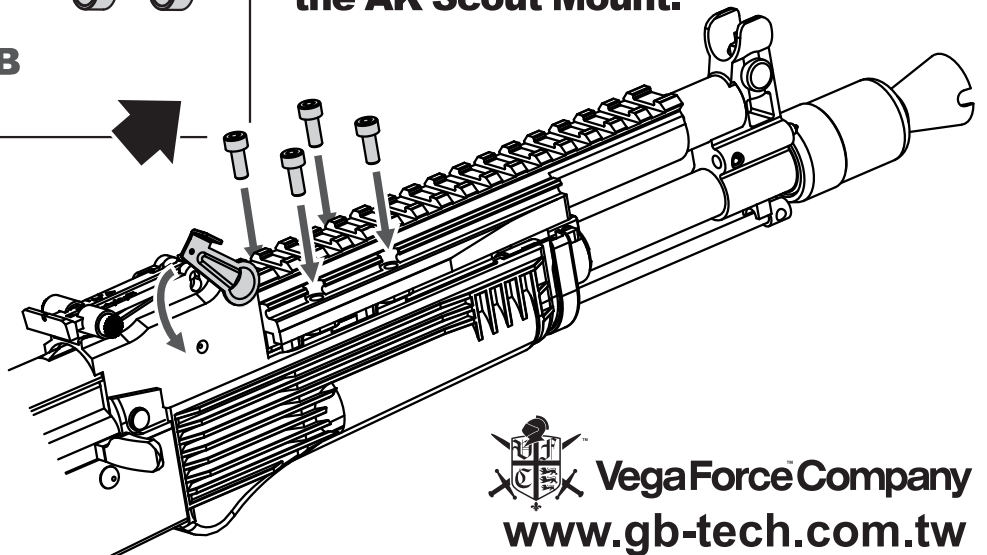

3 Take down the lower hand guard.

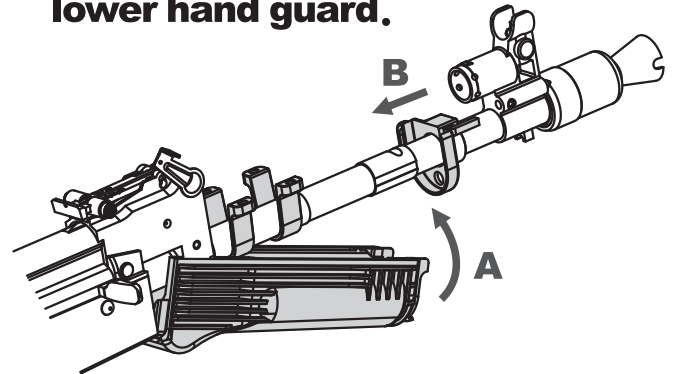

6 Finish

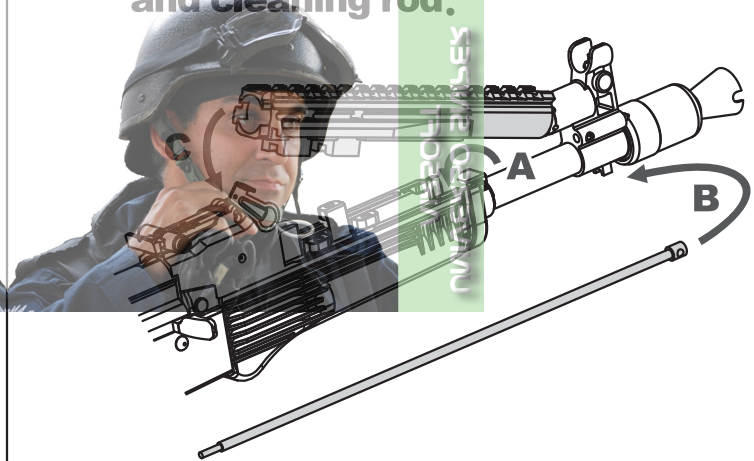

You can install any
M1913 spec scope
on the mount.

4 Put the U Clamps under the barrel
and then install the
lower hand guard.

5 Install the AK Scout Mount
instead the upper hand guard
and cleaning rod.

Turn the screw clockwise to tighten
the AK Scout Mount.
