RONI

PISTOL-CARBINE CONVERSION

The CAI RONI Pistol-Carbine Conversion is designed for the Special Forces operator, it has found favor with SWAT and Security Details. It allows you to realize the accuracy inherent in the pistol. The shoulder stock design provides the stability to significantly improve accuracy.

The Airsoft RONI Pistol-Carbine Conversion is ergonomic designed and equipped with ambidextrous front and rear sling mounts, and large charging handle. Charging the weapon is easy and it is user friendly to both left and right handed operators. It is integrated with a CNC machined Aluminum top and 2 side rails for mounting accessories, and a Nylon Fiber lower rail to mount any forearm grip. The Airsoft RONI is equipped with an adjustable 5 position Buttstock, and features a spare magazine holder for faster reloading. The adjustable cheek rest on the Buttstock is removable. The Airsoft RONI Pistol Carbine Conversion includes a pair of flip-up sights, a detachable folding forearm grip and a charging handle.

AIRSOFT M4 SERIES (ELITE)

The **CAA AIRSOFT M4 Elite** series is a full metal Airsoft Electric Gun (AEG). It is equipped with a light weight Nylon Fiber M4S1 Picatinny Rail System. The official CAA trademarks and unique serial number were laser engraved on the metal receiver. The ergonomic designed Nylon Fiber pistol grip can provide great comfort and better holding gesture. The Nylon Fiber collapsible Buttstock can be set to 6 different positions. There is a storage compartment in the stock for 4 x CR123 batteries. The rubber non-slip butt pad with tapered angle, allows faster shouldering and increase comfort with body armor. The adjustable cheek-rest installed on the stock's side rail can be removed to replace with other accessories, such as magazine pouch or shell holder. A QD sling swivel can be attached on 6 different positions on the stock and Handguard. The integrated bolt catch system makes the hop up adjust easily accessible. A 7mm bearing gearbox is used in this rifle. The package comes with a Low Profile Flip-Up Rear Sight and a CAA 360 rounds Nylon Fiber Magazine.

BLACK RAIN ORDNANCE

Black Rain Ordnance, Inc. is a precision firearms manufacturer, specializing in tactical style rifles and suppressors. Incorporated in January of 2009, it's a young company, but far from new to the firearms industry. From the beginning acquired the best machinists to manufacture the finest parts possible. Its design team created a unique look and feel, with features that all shooters can appreciate while using the best materials available. They strive to use only American metal – it is important for them to ensure that all products carrying our Bio-Hazard logo are made in America by American workers.

Their mission is to produce the highest quality products out of the highest quality materials, with the best customer service in the industry. From the inception of Black Rain Ordnance, Inc., they vowed to never produce anything that themselves would not personally own and operate.

UNIVERSO SNIPER
AIRSOFT

King Arms was founded in 2004. Our target is to ensure optimum customer satisfaction by providing them precise products and outstanding services.

In 2015, we moved our headquarters to Taiwan. We have continuing to provide excellent products of the highest quality. By working with the leading firearms manufacturers, we give our patrons the innovation and authenticity which can't be found anywhere else in Airsoft.

This is what drives us, our reason to be.
